

Condominium Director Training

The importance of training to condominium Directors is extremely important and for that reason all CCI chapters in Ontario applaud the requirement of a mandatory course for all new Directors beginning this fall. It is our understanding that this course will cover the very basics in terms of Director Roles and responsibilities and condominium terminology in a self-serve online format. CCI considers this to be the first step in gaining the knowledge necessary to manage condominiums and Board responsibilities. Therefore, please be aware that CCI Eastern Ontario will continue to offer specialized, interactive seminars on a variety of topics of condominium interest, as well as a more in-depth curriculum developed for new Directors which will further equip them to handle the complexities associated with condominium living under the amended legislation. Continue to look forward to information on this. See you in the fall at our two day Director course scheduled for November 18/19, 2017.
